**The Matthew-effect**

*"For whoever has will be given more, and they will have an abundance. Whoever does not have, even what they have will be taken from them."*

*/Matthew 25: 29/*

If we abstract from the message of biblical story, we could recognize the possibilities of disabled people. Those who are in a better position are able to take advantages of the positive effects of institutional systems, so they gain further advantages. That causes raising the disabilities of handicapped people.
